

# CUBE Emergency Kit

Created for nasrullahshahdan@gmail.com on Sat Mar 16 2024

In the event that you are unable to access your account, you will require specific account information, including your Secret Key, to log in. Please note that we are unable to retrieve or access your Secret Key on your behalf.

1. Print an Emergency Kit and delete it from your computer.
2. Note down your Secret Key below so you don't forget.
3. Safeguard this information in a secure location, for instance, with your birth certificate

## CUBE Account Details
